Health Screenings and Student Career Day a Success

Blood Pressure Screenings

McCeda conducted blood pressure screenings as part of the Greenville Training School (GTS) Mass Reunion, held at Greenville Primary School on Saturday, July 9, 2011. Pharmacist Hattie Alexander from Winn Dixie conducted the evaluations on more than 20 participants. Medical literature and support was provided by representative Deveda Bellamy, MAC, from the Leon County Health Department, 2B Prevention and Control Team.

Student Career Day

Student Career Day at Madison County Middle School was a resounding success! More than 40 adults offered insights regarding potential jobs and careers. More than 400 students in grades 4 through 8 participated in the program, held in December 2011. McCeda again assisted in recruiting volunteers to participate. Several demonstrators offered hand-on exposure for the students, including fire & rescue, ambulance, bull dozer, and Coca Cola trucking. (see photos below and on page 2).
